

MAX. 100% TRADING BONUS TERMS AND CONDITIONS

1. General Terms

1.1. By opening a trading account under this 100% Trading Bonus program, the Client acknowledges that he has read and agreed to be bound by these Terms and Conditions as well as to the Company Trading Terms and Conditions.

1.2. The promotional period for this 100% Trading Bonus Offer shall run from June 6th 2017, onwards. There is a 12 months' time limit for the completion of the bonus volume requirements.

1.3. The Company has the right to amend, alter or terminate this Bonus Promotion at its sole discretion, and at any time without notice.

1.4. The Company reserves the right to refuse offering of the 100% Trading Bonus at its sole discretion without the need to provide justification. The Company will not be liable for any stop outs or any other consequences that result out of a Bonus cancellation and/or removal.

1.5. If the Company suspects that a Client has abused or attempted to abuse a promotion, or otherwise acted with a lack of good faith towards us, then the Company reserves the right, at its sole discretion, to deny, withhold or withdraw from that Client the 100% Trading Bonus or promotion and if necessary to cancel any terms and conditions with respect to that Client, either temporarily or permanently, or terminate that Client's access to the service and/or block that Client's Account.

1.6. Any dispute or situation not covered by these Terms will be resolved by the Company Management in a fair manner.

1.7. The 100% Trading Bonus only applies on new deposits and at the companies sole discretion also on selected re-deposits. An internal transfer between accounts is not counted as a deposit. Hence, the application for a bonus cannot be submitted for a deposit made by internal transfer.

1.8. The 100% Trading bonus offer applies to all account types.

1.9. Once a client completes the volume requirement, they will need to send an email to support@cibfx.com requesting the bonus to be released.

1.10. After the volume requirements are met, the client has one (1) month in order to claim the bonus to be released. Failure to do so within the aforementioned timeframe will invalidate the client's right to claim the bonus.

1.11. The maximum amount that can be active in this bonus promotion is 30,000 USD / 25,000 EUR per trading account. If a Client has multiple trading accounts, he gets the bonus on only one trading account.

1.12. Participation in the 100% Trading Bonus is not allowed for persons under the age of 18 or otherwise under the legal age in their country of residence ("minors").

1.13. Please note that you cannot switch between bonus programs. A Client can request change of bonus scheme to No Bonus only via email to support@cibfx.com. In such a case all active bonuses will be removed and no bonus will be awarded on further deposits.

2. Operating Terms

2.1. To withdraw the Bonus from your account you need to make transactions (number of standard lots) in the amount of: $\langle \text{Total Awarded Bonus Sum} \rangle / 5 = \langle \text{Number of standard lots} \rangle$

EXAMPLE: You receive \$200 bonus. To withdraw the received bonus, you need to make a transaction $\$200 / 5 = 50$ standard lots (only closed deals are taken into account).

ATTENTION: When calculating the trading volume, we take into account those transactions on all currency pairs and metals (CFD instruments don't participate in the offer), which were opened and closed.

2.2. Withdrawals only can be made when the complete required volume has been traded. These conditions are valid for any Trading Bonus (even if the percentage is different).

2.3. Unless all requirements of the program are met, you can't withdraw. Once the original deposit is removed, the bonus is lost. If a part of the original deposit is withdrawn the bonus is removed on a pro rata basis, therefore there will be a partial bonus removal (subject to the companies approval). Each withdrawal is subject of bonus removal as per calculation in point 2.2.

2.4. Furthermore, if the volume requirements are not completed then the 100% Trading Bonus can only be used for trading purposes.

2.5. If volume requirements are not met and the equity of the account goes below the available bonus amount then the bonus is removed automatically by the system. In other words, if the Cash Equity (Equity - Trading Bonus) becomes zero or less, all previously awarded Trading Bonuses will be cancelled and withdrawn from the respective Client's account. In these circumstances the Company shall not be liable for any consequences of the bonus cancelation, including, but not limited to, order(s) closure by Stop Out.

2.6. Internal funds transferred between trading Accounts within the Company are considered as withdrawals, therefore Bonus removal will be applied if the amount being transferred out from the 100% Trading Bonus account is from the original balance that was awarded a respective bonus.

2.7. Trading Bonuses cannot be transferred between, or from Eligible Clients' trading Accounts within the Company.

2.8. In the case of selecting the 100% Trading Bonus there is no margin call alert.

2.9. These Terms and Conditions are made in English language. Any other language translation is provided as a convenience only. In the case of any inconsistency or discrepancy between original English texts and their translation into any other language, as the case may be, original versions of English shall prevail.
